Summary

With six years of web design experience, I specialize in crafting designs that prioritize user engagement and conversion, directly contributing to measurable business growth. Thriving in fast-paced environments, I consistently deliver high-quality work on time, ensuring client satisfaction and project success. Let's collaborate to elevate your online presence and achieve your business goals.

Skills

HTML/CSS • CSS Preprocessors • CSS Animation • BEM • Tailwind css • React • JavaScript • Figma

Work Experience

Senior Web Designer

Sep 2020 – present

Prepladder • Full-time

Chandigarh, India

Technologies: HTML/CSS • SCSS • CSS Modules • JavaScript • Figma

- Designed and developed UIs within frontend web frameworks, utilizing associated templates and tools to expedite development processes.
- Spearheaded the creation of a custom design framework for PrepLadder, featuring pre-styled components, layouts, and helper classes.
- Modularized CSS code to optimize performance, loading only necessary CSS for each page.
- Enhanced page performance by optimizing metrics such as CLS, LCP, and FCP.
- Proficient in HTML, CSS, Sass CSS Preprocessor, Bootstrap, and responsive design for React and Next.js projects.
- Facilitated system integration testing and user acceptance testing coordination.
- Recommended and implemented design changes for iterative product updates.
- Achievement: Awarded PrepStar (Employee of the Quarter) award for excellent performance in the whole tech team.

Web Designer

Sep 2018 – Dec 2019 • 1 yr 3 mos

Netzens Software • Full-time

India

Technologies: HTML/CSS • Bootstrap • Adobe Photoshop • Coraldraw • WordPress

- Developed intricate user interfaces for diverse websites and applications, employing HTML, CSS, Bootstrap, WordPress, and various UI frameworks.
- Collaborated closely with clients to conceptualize and actualize creative ideas, ensuring alignment with project objectives.
- Proficient in graphic design software such as Photoshop and CorelDraw, utilizing them to craft visually appealing website designs.
- Prepared comprehensive design plans and effectively communicated website structures to stakeholders.
- Recognized with the Employee of the Month award for outstanding performance within the tech team.
